

Preschool Registration

Please fill out this form and see reverse for more information/instruction.

Name	Age	Sex (M or F)	T Shirt Size (choose 2T, 3T, 4T, XS or S)

How do I register my preschooler?

In order for your preschooler to be enrolled, you must provide us with emergency information and sign all of the waivers, which are located on the camper registration form. Please be sure to add your preschooler to the list of children on that form. Simply write "preschooler" beside his or her name so that we know not to include the child as a camper.

Please complete the enclosed form and mail it to:

Heroes on the Move
P.O. Box 2290
Port Elgin, ON, N0H 2C0

What?

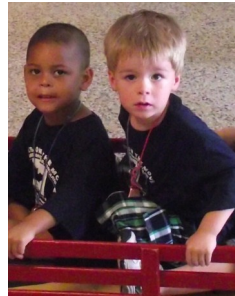

Heroes on the Move for Preschoolers is a service for parents who are serving at Heroes on the Move during the track and field week only (July 11 - 15). There is no charge for this program, but space is limited, so priority will be given to those who are serving all day. Please register early to avoid disappointment.

The preschoolers are going to have a great time. They will have their own Beach Blast VBS, just at their level. This will include Bible stories and songs, crafts and games. They will be able to talk with their older siblings about the Bible truths learned each day.

Where?

Preschoolers will begin and end their days with the rest of camp at the Port Elgin Curling Club. The majority of the preschool program will take place at the Gustavus St. building of the Port Elgin Missionary Church which is just a few blocks away. A fenced play area in a treed back yard will allow safe play outside.

As the preschoolers' days will be longer than the rest of camp, they will have quiet times and rest periods throughout the day. They will also have an opportunity to swim at the pool.

Preschoolers will be provided with lunch and snacks each day, and will also receive a little *Heroes on the Move* T-shirt, just like the big kids!

Who?

To register a child for the preschool program, please complete the regular camper application form and attach the form on the reverse side with your registration. Write "Preschooler" where the t-shirt size is selected, and note the t-shirt size and any special instructions on this page.
